The Unidrape range of theatre products from Vygon offers you a wide variety of drapes, gowns, and other theatre accessories to support your procedural requirements.

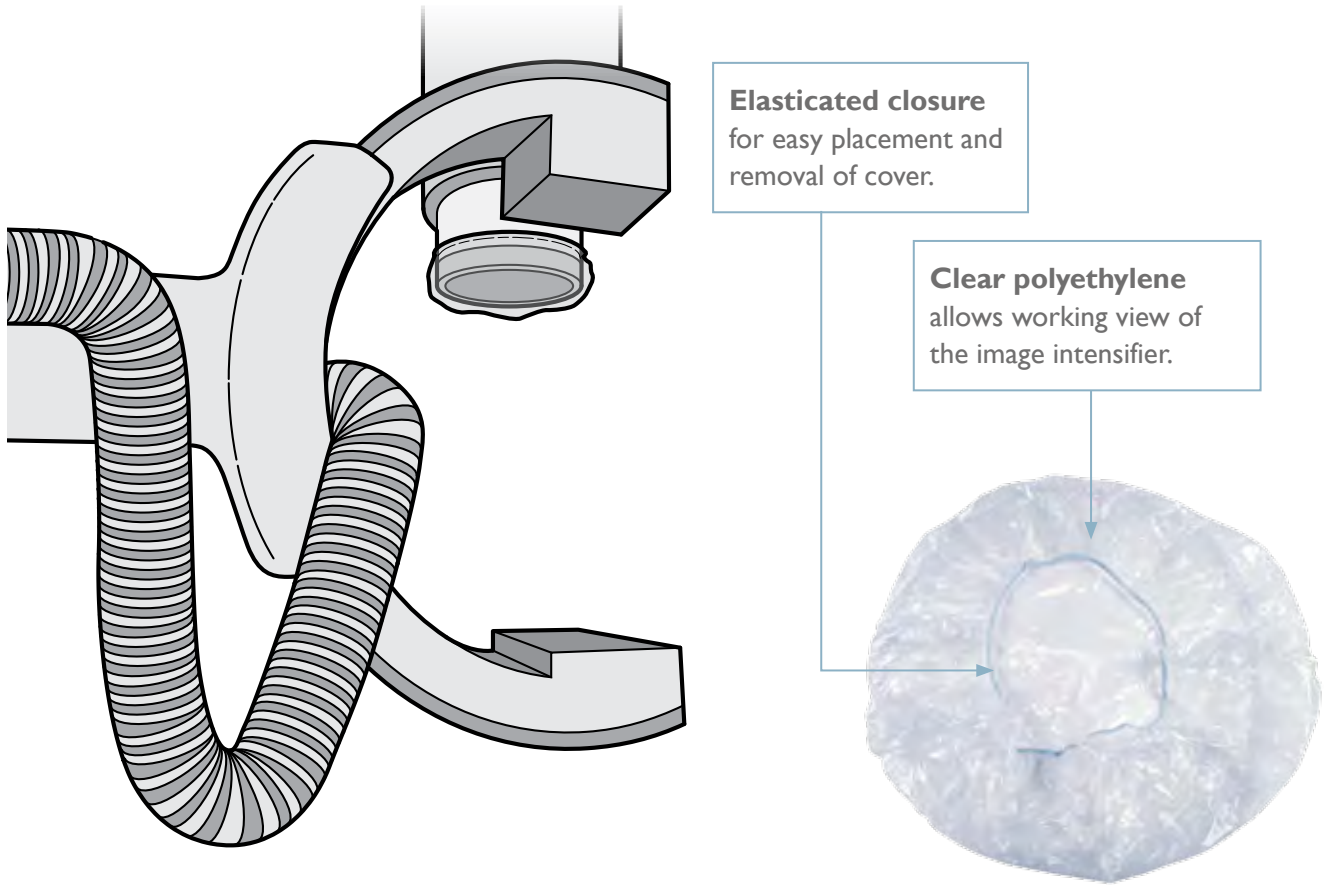

In addition to high quality products, we pride ourselves on the quality of support you receive from both our sales team and customer service. We can offer you the following support services at no added cost:

- ✓ **Training**
Our Sales Executives can provide in-hospital training on products and DOH guidelines to help your staff get the best from our products whilst following Best Practice guidelines.
- ✓ **Supply Route**
You have a choice of purchasing direct from Vygon, through NHS Supply Chain, or through a third party distributor. Direct purchases can also be made via our E-Commerce system.
- ✓ **Product Warranty and Technical Support**
Our on-site Laboratory handles technical enquiries, procedural advice, regulatory device issues and any problems that may occur with Vygon products.
- ✓ **Custom Pack Service**
We can offer a bespoke pack tailored to meet your specific procedural requirements.
- ✓ **Administration Support**
Each NHS Trust has a nominated Customer Service Associate to take and process orders, despatch goods, and to provide support on delivery and order queries.
- ✓ **Product Support and Education**
We can provide support and educational materials including literature, customised posters, booklets, evaluation forms, medical reports, presentations, training manuals, DVDs, videos and interactive training tools.

Equipment Draping

Suction Liners

Suction Liners and Liquid Treatment

The Vygon suction liner system allows safe and easy disposal of contaminated bodily fluids. Coupled with our solidifying gel ISOSORB ensures minimal contact with contaminated waste offering increased staff protection (wall suction is required). The colour-coded system is highly flexible and easy-to-use.
